

SCCTM Awards
***Outstanding Contributions to Mathematics
Education Award***

The South Carolina Council of Teachers of Mathematics has two awards to recognize the efforts of individuals that have produced significant and substantial effects on the teaching and learning of mathematics in South Carolina. Both awards celebrate the time, energy, expertise, and commitment expended by these individuals that have improved mathematics education in our state. Their efforts have made positive differences for mathematics educators as well as impacted the learning of mathematics for students across the state. These awards recognize contributions in curriculum, instruction and/or assessment of mathematics.

Nominees for the ***Outstanding Contributions to Mathematics Education Award*** must be or have been mathematics educators. To nominate someone for this award, please provide the information below.
