

Christi Fricks

Christi Fricks has been teaching middle school math for 22 years. She is currently teaching 7th grade math at Riverside Middle School in Anderson School District Four. She holds a Bachelor's degree in Elementary Education from Lander University and a Master's degree in Curriculum and Instruction of Mathematics from the University of Texas. She has earned Gifted and Talented endorsement as well as National Board certification. She is the 2008 Awardee of the Presidential Award for Excellence in Mathematics and Science Teaching. She is the math department chair at her school and is the head cheerleading coach for football. She was named 2019-2020 District Teacher of the Year and is currently fulfilling her duties in the teacher forums.

She is an active member of the National Council of Teachers of Mathematics (NCTM), South Carolina Council of Teachers of Mathematics (SCCTM), South Carolina Leaders of Mathematics Education (SCLME), Council of Presidential Awardees in Mathematics (CPAM), South Carolina National Board Network (SCNBN), and Palmetto State Teachers Association (PSTA). She served on the Executive Board of SCCTM from 2010 to 2016 as Middle School Vice President, President-Elect, President, and Past President. She is currently serving the end of a two year term on the SCCTM Executive Board as NCTM representative and strongly desires to continue serving in this position if re-elected.

She enjoys sharing her love of math with others as she presents at conferences on the local, state, and national levels. Christi has a passion for teaching math and relishes the challenges of middle school. She lives in Pendleton, South Carolina with her husband, Scott and son, Garrett.
