

SCCTM News January 18, 2021

Conference News

Please register for the next upcoming SCCTM Virtual Event being held on Feb 19, 2021: *The Heart and Soul of Mathematics*. We are very proud that we will be bringing together an outstanding group of teachers of the year who truly reflect our profession to share some of their greatest lessons that they have learned as teachers.

Our keynote is Chanda Jefferson, our state's 2020 Teacher of the Year and presently serving as an Einstein Fellow.

[Register here.](#)

The code to register is the same as for the previous event. If you need the code, please contact:

director@scctmconference.org

Everyone who registers ahead will be notified of the ZooSubmissions for the e-blastm link a week to ten days before the event.

Although there is no fee for this event for members, we are accepting donations. [Follow this link to donate to SCCTM.](#)

SCCTM Officers

Election results are in. Follow this link to see our current executive board officers and managers: <https://scctm>.

Donations to SCCTM

As many of you know, the annual in person conference that SCCTM has held each year for

decades helps SCCTM earn the funds in order to support the scholarship and grants programs. SCCTM has always been able to keep membership and conference registration fees low due to the support from the vendors who reserve exhibit hall booths and so generously make donations toward the coffee breaks and reception for our members. Without the conference and its exhibit booth sales, our finance committee has had to rework and rethink what is now a very constricted budget.

Several of our board members have already made large donations to SCCTM recently. If you are able to help support SCCTM at this time, you may donate online at: scctm.org/donations or you may mail a check made out to SCCTM, 6 Sandalwood Lane, Sumter, South Carolina 29154.

MathMate

The September 2020 Issue of the MathMate is available on the SCCTM Webpage or via [this link](#).

Join or Renew NCTM membership

We encourage you to join NCTM. When you join or renew please use the following affiliate code SCCTMLC20

Submissions for the e-blast

The SCCTM sends out a monthly news blast. The format for submissions is a short (less than 250 words) description paragraph and links to any flyers or forms on the originating organization's website/storage. This format avoids us housing other organization's documents/flyers on our listserve server's limited space. All submissions must also meet our mission as stated on our website:

"The South Carolina Council of Teachers of Mathematics acts to support quality mathematics teaching by advocating at the state level for South Carolina educators and students; providing opportunities for leadership, professional development, and networking; and encouraging the creation of research-based curriculum, instruction, and assessment."
