### The MathMate

The MathMate is the official journal of the South Carolina Council of Teachers of Mathematics. The issues are designed to feature articles about innovative mathematical classroom practices, important and timely educational issues, pedagogical methods, theoretical findings, significant mathematical ideas, and hands-on classroom activities and disseminate this information to students, educators and administrators. The May 2019 Issue of the MathMate is available directly via this link:

### [Educators Scholarship](#)

SCCTM wants to help you further your degree with the Educator's Scholarship! Apply by September 15, 2019. This scholarship provides financial assistance of \$1500 to a teacher pursuing an advanced degree in mathematics, mathematics education, or elementary education with an emphasis in mathematics. Eligibility requirements and an application form are available on the SCCTM website at [www.scctm.org/Scholarships](http://www.scctm.org/Scholarships). Contact Bridget, the Committee Chair, at [BridgetC@usca.edu](mailto:BridgetC@usca.edu) for more details.
